

## Service Description

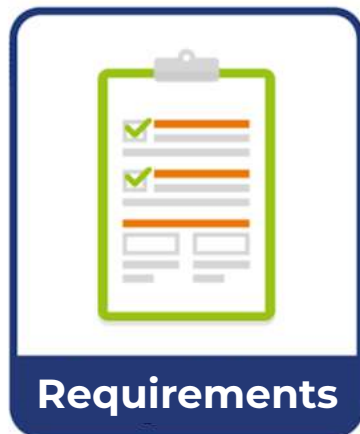

All IsMyConnect users need to interconnect their services to the Telephone Public Network. PBX Connect plan offer such interconnection using your current PBX.

The service topology is shown below. With PBX Connect plan you will interconnect your IsMyConnect Teams service and IsMyConnect SIP plan to the Public Telephone Network in a practical and simple way.

### The plan includes:

- Connector between IsMyConnect and your existing PBX via: SIP, IAX or H323.
- Service Activation.
- Online Support.

- Customer technical staff must participate on a technical online session with our technical staff for PBX Connect plan activation.
- Customer technical staff must execute the configuration in their PBX at their own expense.

CallMyWay will gladly support your inquiries, and will answer your support request through our Customer Service Center.
