

## IsMyConnect from CallMyWay Now Available in the Microsoft Azure Marketplace.

*Microsoft Azure customers worldwide now gain access to IsMyConnect to take advantage of the scalability, reliability, and agility of Azure to drive application development and shape business strategies.*

San José, Costa Rica — January 30, 2022 — CallMyWay today announced the availability of IsMyConnect in the **Microsoft Azure Marketplace**, an online store providing applications and services for use on Azure. CallMyWay customers can now take advantage of the productive and trusted Azure cloud platform, with streamlined deployment and management.

**IsMyConnect** is an all-inclusive host PBX and telephony service for use with Microsoft Teams. Azure customers will benefit from IsMyConnect because they can partially or totally migrate their worldwide telephone services from legacy PBX toward an all-inclusive service, achieving higher productivity through increased collaboration and telecom budget savings. IsMyConnect is customizable for end customer needs, with additional service plans to enrich the customer experience.

**Ignacio Prada, CEO, CallMyWay**, said, “Azure Marketplace is certainly the best platform to deliver IsMyConnect, since Microsoft Teams customers worldwide will easily add telephony and cloud PBX functionalities together with an APP on Microsoft’s marketplace that provides real-time and historic reports upon its incoming and outgoing traffic.”

**Jake Zborowski, General Manager, Microsoft Azure Platform at Microsoft Corp.**, said, “We’re pleased to welcome IsMyConnect from CallMyWay to the Microsoft Azure Marketplace, which gives our partners great exposure to cloud customers around the globe. Azure Marketplace offers world-class quality experiences from global trusted partners with solutions tested to work seamlessly with Azure.”

The Azure Marketplace is an online market for buying and selling cloud solutions certified to run on Azure. The Azure Marketplace helps connect companies seeking innovative, cloud-based solutions with partners who have developed solutions that are ready to use.
